

Easter Holiday Camp Information for Parents

Here's everything you will need to know to before you book your child's place:

Holiday Camp Essentials

To make sure that every child has the best possible experience at our camps, we ask that they come fully prepared for the day ahead. Here's what they will need:

Weather appropriate clothing

The weather is often unpredictable throughout springtime, which is why it is important for children to attend camps prepared for what the day may have in store. We recommend that your kids are dressed for mild weather and bring along a coat in the case of rain.

Children will be taking part in a range of fun activities, which may vary between sports and development, so please make sure that they are dressed appropriately for the day ahead.

Lunch

Taking part in fun filled activities can often leave tummies rumbling. We ask that children arrive at our Holiday Camps with plenty of food for the day. We usually break for lunch around 12pm, giving kids the chance to refuel before taking on their afternoon activities.

Looking for something to fill up your child's lunchbox? Take a look at our [guide to easy, healthy, and budget lunches](#)

Water Bottle

It's incredibly important for children aged 4-12 to stay hydrated throughout the day – especially when taking part in physical activity.

Please make sure that your child arrives to our camps with a full water bottle (ideally one that is refillable!)
