People Who Help Us

Curriculum Map for Spring Term (1)
This half-term, Nursery Bumblebee/Honeybee classes will be learning to:

Parental involvement: A home school diary will be sent home weekly to keep you up to date with all the learning taking place in nursery. Parents' comments, shared experiences, and achievements can be shared via the weekly diary or Tapestry. We will recommend activities and provide a *rhyme of the week* to support learning at home. A story book will be sent home each week for you to share with your child.

Expressive Arts and Design

- Use their imagination to consider what they can do with different materials.
- Explore different seasonal resources by using their senses to investigate.
- Describe the texture of things.
- Explore how colour can be changed.
- Take part in action songs.
- Notice pattern and shape through CTPS's Artist Day

Understanding the world

- Show interest in different occupations.
- Explore knowledge and understanding through discussion and exploring the classroom/world around them.
- Talk about events in their own experience.
- To understand the importance of recycling
