The PTA needs volunteers to be successful.

We cannot run events without volunteers. We cannot maximise our potential profit without volunteers. Can you spare a small amount of time to help us achieve big things?

- Can you dedicate a bit of time to help with our social media presence?
- Are you able to spare a bit of time at our events, it could be as little as 30 minutes, it could be more if you choose.
- Are you creative? Do you enjoy making things? Props and decorations for events, flyers and posters are all needed, and we are always grateful for some help with these.

There are many different ways you can support your PTA. Please come and have a chat with us if you are interested in finding out more.

The PTA is so rewarding. We get to see the smiles on the children's faces. We hear their excited giggles as they share the delight of their first school disco with their friends, and we are a part of the memories that they make at school.

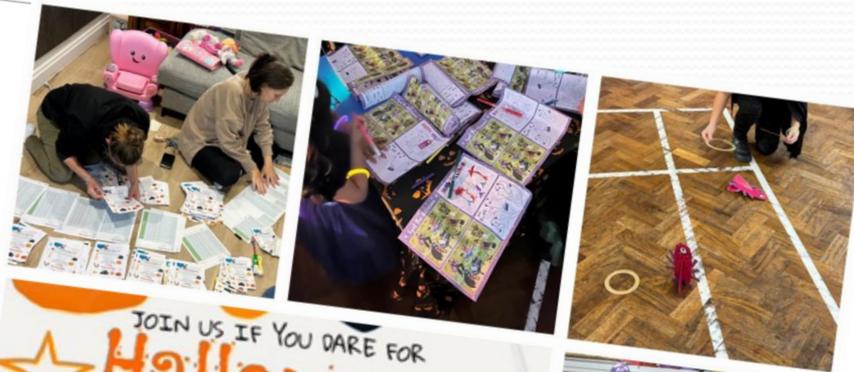

We have also gained friendships through doing the PTA with people who just one year ago were strangers, and we would love to welcome more of you to join us.

Thank you so much to everyone involved in planning the Halloween party for the children, my 2 had a blast!

I can't tell you how happy it made me seeing them all so happy and seeing everyone's fantastic spooky costumes. Especially since the pandemic.
